GCU Club Sports- Payment Details

\$75.00 deposit will reserve a roster spot for the upcoming season and will allow students to register for dues payments to be automatically withdrawn in a payment installment plan. If auto billing fails, student will be required to complete transaction. \$75.00 deposit will be put toward the total balance of student's Club Sports dues, but is non-refundable.

The deposit deadline marks the date that new registrants will no longer have access to a deposit and/or payment installment option; student will be required to pay the full amount due at the time of registration once the deadline passes. Deposit option is not available in the Spring.

Student must be fully registered on Active Works (including completing the Acknowledgment of Risk, Waiver & Release) before participating in team practices or competition.

Athletes register with the agreement that registration is for the full school year even if attendance declines prior to the end of their sport's season.

Paying Dues:

Paying dues is the first step in registering for Club Sports. Please review the list of dues PDF located under the "About" tab on the "How to Join" page for cost associated with your team. Your team will fall into 1 or 2 categories: Season #1 or Season #2. The seasons are separated by the start dates and payment deadlines all outline on the [2018-19 Club Fees](#) PDF.

Student status after hold will be listed as GTR registration hold due to AR balance.

Student will be required to log into Active Works Account and resolve balance fully to remove hold from student account.

No appeal will be considered once student has been placed on hold.
